

How do we forward a Donation to CER?

Currently, we can only accept Donations made via Electronic Bank Transfers to the CER bank account. (Unless of course you'd like to drop into the branch at Duesseldorf or elsewhere! You will still need the following information.)

(If this is impossible for you, please contact the Treasurer [mail to: treasurer.cer@aamail.org](mailto:treasurer.cer@aamail.org) and we'll work something out !)

Account information:

Account Name of Recipient: **CERES* e.V.**

Bank Name: **Deutsche Bank AG**

Bank Address : **Düsseldorf**

(With the new SEPA system, you should only need our BIC/SWIFT and IBAN to send your donation)

BIC/Swift code: **DEUTDE33**

IBAN: **DE47 3007 0024 0053 6631 00**

IMPORTANT!!!!

The remarks field of the transfer document MUST contain either, or both, of the following designations in the remarks field of the transfer form:

Remarks field: **“Donation to AA – from Group-Name”**

Or: **“Spende für Alkoholiker Anonyme CER - from Group-Name”**

****If the donation is not marked as above, we'll have to send it back to you, for tax reasons.*

In the event your bank is still operating with the old system (Germany only), you may need these numbers.

Konto (Account number): **0536631**

BLZ (bank code): **300 700 24**

Please contact the Treasurer after you have submitted a donation, or if you have questions after reading this:

[mail to: treasurer.cer@aamail.org](mailto:treasurer.cer@aamail.org)

Also please contact us with your group or Intergroup Treasurer's e-mail address, so that we can e-mail an acknowledgement once we receive your donation.
