

Just for Today Convention 2023 Info for CER

First of all I would like to say thank you to CER for the support & enthusiasm shown on our convention on the Costa Del Sol this year, I am looking forward to learning much more about the productive work you do, as are many other fellows.

The Just for Today convention came from the idea of the Just for Today card & we have 7 meetings all dedicated to the card itself.

We have a guest speaker coming from India, who spends 6 months in Mumbai & 6 months in the United States.

The entertainment schedule is jam packed with great fun, music & a big surprise for our fellows.

We have 2 Public Information workshops as well as 3 LGBTQ+ Workshops, so we are really encouraging inclusivity.

We are very lucky to have a committee of 12 people who are working tirelessly to get this convention to be one of the best yet.
