

GSO Forum

Saturday March 1st, 2025 – 10:30 – 15:00

Hotel Absolutum, Prague, Czech Republic

What is a GSO Forum

The GSO Forum provides an opportunity for CER and other interested AA members to learn more about the work of the work of the General Service Board (GSB) and the General Service Office (GSO) of AA Great Britain and Continental Europe.

“Regional Forums are basically sharing sessions designed to improve communication and to encourage direct communication and personal contact between members in service including current Board members and those who may wish to become involved in service. All services in AA have one purpose and that is to carry the message to the still suffering alcoholic.” (The AA Structure Handbook for Great Britain, 137)

By attending the Forum, you will gain a greater understanding of the AA GB service structure and the specific services that the GSO and the GSB provide to help groups, Intergroups and Regions to carry out our primary purpose.

You don't want to miss this wonderful chance to get to know the amazing staff at our General Service Office, our General Secretary and two of the AA GB board members and ask them your most burning questions about what they do.
